

NICC August 29th Mini-run

We will be attending the Sunburst Corvette Club Poker Rallye

Each car is given a set of driving directions to navigate to different points during the run. At each stop you draw a poker card to build the best poker hand. Best poker hand takes first place.

Driver and navigator required. This makes it much easier if you have someone reading the directions while you drive.

Rallye will start in Cary Illinois, and finish in Northern Illinois or Southern WI.

Cost is \$15.00 per car for two rallyes prior to August 22nd.

\$20.00 per car after August 22nd

(Go to the [Midwest Region's flyer page](#) for a copy of the Event Flyer to pre-register.)

This is an NCCC event, so bring your membership card with you so the club can receive points for your participation

We will plan on eating supper with the rallye group and then returning in time to Thunder Bay Grille for the meeting at 7:00 PM

Last year Jon & Marti Stroberg and ourselves went to the poker rallye and had a great time.

Meet at the Cherry Valley mall parking lot across from Menards. We plan to leave at 11:30 to get us to our starting point at 12:30 for the rallye.
