### President's Corner

Happy February

Only Eight More Days. As I write this only eight more days before pitchers and catchers report for spring training. This has got to mean that spring is not that far off. Although we have had a very nice winter up until this point.

Board Meeting Update We had a board of directors meeting on January 15<sup>th</sup> and the following is a synopsis of that meeting:

1. Discussed the 2012 calendar and filled in more dates. Made some minor changes. Most notably an added event in April.
2. Had a discussion with the Thunder Bay Grille management concerning recent service related issues. Received assurances from them that things would improve. There was a notable improvement at the February meeting but we will still keep watching to ensure that the service level does not slip.
3. Discussed membership renewals.
4. Decided to implement (on a trial basis) a random table seating program. When you enter the meeting you will be asked to draw a number and that number will correspond to a particular table for you to sit during the social hour and the meeting. The board hopes that this will give people the opportunity to meet and socialize with folks that they may not have had the opportunity to do so as of yet. Tauna Billups has graciously offered to facilitate this process.

5. Discussed plans for the 40<sup>th</sup> anniversary party.
6. Continued discussion on putting together a robust audit process and making that an annual event. This is no reflection on John Mink or any of the previous treasures but the board feels that having an audit process in place is the prudent thing to do for an organization of our size. During the course of this year we will work to put this process together and will also come to the membership with a request to change the by-laws which will incorporate this audit process. Linda Stimart, Faye Edlund, Nancy Bailey and I will work on this process. If you have a desire to join us please let me know.
7. The board decided to post a picture (with their permission) of all new members in the newsletter. This will make it much easier for folks to put a face to a name.

Let's Go Bowling Be sure to make your calendar, dust off your shoes and grab your balls so that you can join us for the second (annual) bowling party hosted by Steve and Vicki Mulder. This event will take place on February 19<sup>th</sup> and will be held at the Freeport 4-Season Bowling Alley. After bowling the group will go to the Route 20 Bar and Grill to boast about their scores. Make sure to let Steve or Vicki know if you are interested.

Again this is your club. If you have any comments, suggestions, criticisms, or complaints please contact either me or one of the other board members.

Be Safe.
