Mr. Brick Logan, President
Northern Illinois Corvette Club
PO Box 573
Rockford, IL 61105

Dear Brick and club members:

We are grateful for your recent gift and excited to tell you about the special purpose for which it will be used.

Your generous donation will be dedicated to helping veterans of the U.S. armed forces and others who come to Rosecrance in need of treatment for co-occurring substance use and mental health disorders.

The need for this kind of specialized treatment is growing, both among war vets and in the general population. Rosecrance does not have enough beds to meet the demand for treatment. Our waiting list is long.

Consequently, Rosecrance has launched a \$1 million fundraising campaign to renovate space at the Harrison Adult Treatment Center to create a 14-bed unit to serve people with co-occurring disorders. Like you, we have read about the urgent need for treatment among military personnel returning from the wars in Iraq and Afghanistan. Rosecrance is uniquely qualified to help, and we intend to do so.

This new unit will offer priority admission to military veterans and their dependants. Your gift will benefit people who put their lives on hold to serve our country. Together, we can help them find the way "home."

With deep appreciation,

Philip W. Eaton
President/CEO

Lynne D. Vass, CFRE
Senior VP of Development

Judy Emerson
