4130 Windy Ridge Trail
Rockford, IL 61101-8821

Dear John and Friends,

December is a very special time for donations to Carpenter's Place! Through the generosity of amazing donors who believe strongly in our mission and the life-changing results achieved, **donations received in December are DOUBLED!---**matched 100%!

Therefore, your generous [REDACTED] donation will be matched and the impact of your gift on the lives of our homeless guests will be doubled! **Thank you, thank you, thank you!**

Life changes are the focus of our work with homeless men and women. Through our case management program, they:

1. First – accept responsibility to make the changes necessary in their lives;
2. Next – access identified community resources and comply with all guidelines;
3. Consistently – must be accountable to their case manager each step of the way;
4. Then - reap the benefits of working their life-recovery plan!
5. Hopefully - secure employment and housing, and handle both responsibly;
6. And lastly – become contributing members of the community!

It's a long but worthwhile process!

Thank you for giving the opportunity for this journey to our guests!

Your support makes possible the greatest gift --- their life renewed!

As you celebrate the holidays at your home, please know you are held in our daily prayers at Carpenter's Place. We greatly appreciate your support and ask God's greatest blessings upon you! We know He can thank you best for your generosity and kindness to those in need of the most basic

Executive Director

Kay Larrick

Thank you! God bless you!

You are our partner in ending homelessness, ...one person at a time!

Kay Larrick
Executive Director

John - Please give our warmest thanks to the members of the Corvette Club. We are very grateful for this very generous gift.

"In accordance with IRS regulations, we acknowledge that no goods or services were provided in exchange for this gift."

Merry Christmas to all!

Happy 2012 ☺
