Dear Steven,

Thank you for your purchase of a National Corvette Museum Commemorative brick. The success of the Museum depends on the generous support of persons like you.

Your brick is located in section **HEX 2J** of the Corvette Boulevard, the inside walkway lining the new addition in the National Corvette Museum. These bricks represent the widespread support from individuals, clubs, and businesses across America and the world.

Your contribution is very important and helps further the mission of the Museum to celebrate the Corvette's invention and to preserve the legendary automobile's past, present, and future.

We appreciate your interest in becoming a part of Corvette history. Again, many thanks for your support. Hope you can visit us soon!

Best wishes,
