Minutes: Brick Logan made a motion to review, object, make corrections and approve the minutes from the August 7th 2011 club meeting. This motion was second and approved.

Opening Comments: Brick Logan wanted to start the evening with a big apology to the club for making a mistake. There has been a mistake in the budget for advertising. He knew that there should have been \$1000, but somehow there is only \$200.00. Brick would like a motion made and amended for the increase in the budget from \$200.00 to \$1000.00 for advertising. Dennis Matthews made the motion; Bob Rodgers seconded the motion, no further discussion. This vote will set for 30 days and the club will vote on it next club meeting.

Monthly Reports:

Social Director: Janet gave the club a big Welcome tonight! Did everyone have fun at the picnic and enjoy the day. The club would just like to say "Thank You Janet" for the picnic and the wonderful desserts. Another Thank You to Catherine Cryer for the mini run on August 21st.

Janet would like everyone to sign up for the Bocker Chevrolet Car Show, this is very important as they are our club sponsor. Janet told the club that there will not be a 50/50 raffle ticket sale going on during the car show. She found out about some new rules and how much a license cost to sell the tickets, so there will be no tickets sold. However, they need volunteers to help during the show, so please come.

Kim and Kerry Lopin will be hosting the mini run September 11th. There is a signup sheet for this event to Poplar Grove Museum, then onto Volo Auto Museum, then to Big Foot Inn Supper Club.

Tauna Billups told about the new date, Oct 1st for the Progressive Supper. Sheets are going around for anyone interested. The supper will start at 4:30, she will send out packets to everyone attending with all the information.

Memberships: Bruce Mayer stated that we currently now are at 138 members for 2011. At our last meeting William Crull from Roscoe joined, he has a 1996 Silver Coupe. Also, Beau and Paula Davis from Janesville, WI joined. They have a 2003 Anniversary Red Coupe. If our new members would like to add an event, please contact us. Welcome to NICC. We are looking for new members, so if you see any corvette owners, please pass along information to them and invite them to attend our meetings and events. Let them know about our website and where they can get more information about our club.

Renewals were sent out this past Thursday and hopefully everyone received their renewal. Remember your current membership for 2011 goes from January to December. Applications need to be in by October 15th for the 2012 year. You can mail them to Bruce or bring the application to the next club meeting.

Governor: Arnie Bailey stated he is going to the Governors meeting in a few weeks in St. Louis. There have been competition events going on within the region. There will be a racing event over Labor Day Weekend in Mattoon, IL. If anyone can help, please drive down. This event is a very good income for the club due to the Timing Equipment.

Treasurer: John Mink handed out the NICC Financial Report dated 1-1-2011 through 8-27-2011. There has been some income from the timing equipment and 2 car shows. An error on the report had the incomes from the Hooters Car show and the Roscoe car show switched around. Some expenses for the club have been for advertising. The club was presented a check tonight for trophies from Roscoe Antique Mall. John is going to try to keep all expenses and incomes for the car shows separate.

Parade Director: Carole Mayer handed out a flyer about the change of meeting place for the Stillman Valley Parade due to the Kishwaukee Bridge still being closed. Meet at the Hilander by Cherryvale Mall at 11:30 September 25th. After the parade Brick and Kris Logan will lead us on a short run and have everyone at their home for refreshments. This is a candy parade.
