

**The e-mail below was received in the NICC Mail Box on June 6, 2010**

To the members of the Northern ILL. Corvette Club.

On behalf of the commander, myself and the soldiers of the 485th Engineer Company. I wish to thank you all for the boxes of items you have sent to us. It is inspiring to my young soldiers to see that they are thought of and supported by other people then just family members. To also show our appreciation we will fly a flag over our compound here and present it to your group when we return home. So if you can send an e-mail to me of someone to organize these with it would be greatly appreciated. Again on behalf of my unit thank-you for the gift boxes.
